The PEOPLE'S SCIENTIFIC CONFERENCE

CONFERENCE DIRECTORS: Dr. Carolyn M. Tucker & Dr. Linda B. Cottler

To Promote Health and Eliminate Health Disparities

Designed with you in mind

WHEN: Friday, June 14 and Saturday, June 15, 2013

WHERE: University of Florida | Gainesville, FL

WHAT: A novel, statewide conference that brings together community members, physicians and other health professionals, and researchers to teach and learn from each other ways to promote health and overcome chronic diseases such as diabetes, heart disease, cancer, and arthritis.

NOVEL ACTIVITIES:

- Panels of providers answering conference participants' questions about diseases
- Panels of patients and family members speaking about influences on their health behaviors and treatment adherence and on ways to improve relationships with their health care providers
- Presentations by nationally known medical and research experts on the health problems that are most common in minority, low-income, and underserved communities

CONFERENCE REGISTRATION:

Community Members/CHWs	FREE
Professionals/Researchers	\$60
Undergraduate/Graduate/Medical Students	\$30
Webcast Only	FREE

REGISTRATION IS REQUIRED!

Register [online](#) or by phone (1-866-290-5770) no later than **June 10, 2013**. Continuing education will be provided by the Suwannee River AHEC.
